Submitting Your Electronic Ballot

Each designated voting representative of IANA member companies will receive an email from Joni Casey (casey.joni@intermodal.org) containing a personalized link to a tamper-proof ballot. To cast a ballot, please follow the steps below:

1. Click on the link to the ballot in the email. The link will automatically authenticate and log you into the system.
2. Once the ballot appears, choose the candidate you would like to support.
3. Click “Continue” at the bottom of the ballot to be directed to the confirmation page.
4. Once the confirmation page has loaded, review the ballot and click either “Confirm” to submit the ballot or “Change” to change the ballot. Once the ballot has been submitted, you will not be able to change your vote or submit another ballot.
5. Once the ballot has been confirmed, a green banner reading “Success” will appear at the top of the page confirming the submission of your ballot. The ballot is then encrypted and kept confidential.
6. To view a receipt showing documentation of your submitted vote(s), click on the link called “View Receipt – 2023 IANA Board of Directors Election.” To print a copy of this receipt, click on “[Print]” at the top right of the page.
